

OVERVIEW OF CYCJET COMPANY

I. WHO WE ARE

Shanghai Yuchang Industrial Co., Ltd. (Brand: **CYCJET**), a national high-tech enterprise based in Shanghai with 20 years of experience in the industrial coding and marking industry. We are a global professional manufacturer integrating R&D, production, sales, customized automatic production line solutions, and after-sales service for intelligent inkjet coding and flying laser marking equipment. We have branches at home and overseas, and our products are exported to more than 90 countries and regions worldwide, winning wide recognition from global customers.

II. WHAT WE DO

- **Independent R&D & Manufacturing:** Develop and manufacture full-series industrial inkjet printers and laser marking machines;
- **Customized Workstations:** Customize automatic coding workstations in a one-stop service matching various industrial working conditions, including mechanical design, software development, equipment assembly, and commissioning;
- **Intelligent Marking Solutions:** Provide low-cost, high-efficiency, and intelligent marking solutions for food, pharmaceutical, electronics, pipe, auto parts, logistics, cosmetics, and other industries, helping enterprises realize automatic and digital production line transformation to cut costs and boost efficiency.

Business Philosophy: Smart Thinking Smart Printing

III. CERTIFICATIONS & QUALIFICATIONS

- **Enterprise Qualifications:** High-tech Enterprise Certificate, Import & Export Business Registration, Business License, Hazardous Chemical Business License, Made-in-China Audited Supplier;
- **Intellectual Property:** Multiple computer software copyrights and appearance design patents;
- **International System & Safety Certifications:** ISO9001 Quality Management System, CE, FDA, TUV, MIC, RoHS, Sedex, and other global certifications.

IV. OUR MAIN PRODUCTS

- **Handheld & Portable Inkjet Printers:** Series A, CH portable handheld inkjet coders with printing height ranging from 12.7mm to 71mm;
- **Online Industrial Inkjet Printers:** UV high-resolution printers, CIJ small character printers, DOD large character printers, TIJ thermal inkjet printers;
- **Laser Marking Equipment:** Fiber flying laser, CO₂ flying laser, UV flying laser, desktop & portable static laser markers;
- **Custom Automatic Coding Systems:** Full-automatic marking workstations customized for pipes, steel tubes, tanks with robotics, etc.

V. COOPERATIVE CUSTOMERS

We serve global industries including FMCG, food & beverage, pharmaceutical & cosmetics, auto, electronics, pipe & cable. Long-term well-known partners include:

Amway

Estée Lauder

Nestlé

Carlsberg

Oriflame

Longrich

Golden Monkey

BYD Auto

Fuyao Glass

Foxconn

Winsun Insulation
